

Amendments to the Drawings

Submitted herewith is a replacement drawing sheet for amended Fig. 2. A marked up copy showing the amendment to Fig. 2 is also provided.

REMARKS

This application is a 371 filing of PCT International application PCT/KR2004/002702 filed October 22, 2004. Original claims 1-35 were present in the application, as filed, with claims 28-30 and 33-35 cancelled by preliminary amendment. Claims 1-27 and 31-32 remain pending in the application.

By this Amendment, claims 15-20 are amended to reflect their pendency from claim 14, rather than claim 1. Support for the amendment can be found in the original claims.

Figure 2 is amended to correctly indicate the unit of time as being hours (h) as opposed to minutes. Support for the amendment can be found at page 19 of the specification, lines 20-22. Time points are given as 30 min (0.5 h), 60 min (1 h), 120 min (2 h) etc.

Favorable consideration of the pending claims is respectfully requested.

Respectfully submitted,

A handwritten signature in cursive script, reading "Kathy Smith Dias", written over a horizontal line.
